Warehouses for Rent report — Bang Sue, Bangkok

Data as of 2 November 2026

Every figure here is calculated from the **5 listings JKP Property manages** in Bang Sue, Bangkok. **This is not a census of the whole market** — it is a picture of what we actually have available today. We do not store historical prices, so this report carries no year-on-year trend and no forecast.

How t

We lead with the median rather than the average, because a handful of very large buildings pulls the average above what you will actually meet. Per-square-metre figures are worked out building by building and then averaged, not by dividing total price by total floor area. Shares in the tables are out of the listings that have that field filled in, not out of every listing. The numbers follow the live inventory — this page is recalculated on every visit.
